

POSITION	PHOTO	EXPERIENCE
<p>1. Professor &amp; Head of department</p>		<ul style="list-style-type: none"> <li>• Mrs.K.Vijaya lakshmi Prof &amp; HOD of civil engineering department science July 2015.</li> <li>• B.Tech civil engineering from G. Pulla reddy engineering college, Kurnool, SVU in 1988.</li> <li>• M.Tech Transportation engineering from JNTUH in 2002.</li> <li>• Ph.D from JNTUH</li> <li>• Published 15 papers different journals</li> <li>• She has 26 years of teaching experience in different institutions</li> </ul>
<p>2. Professor</p>		<ul style="list-style-type: none"> <li>• Dr. S. S. S. Muntaz Vali awarded Doctoral degree in Hydrogeology by Sri Venkateswara University, Tirupathi in 1997. He is Post Graduate from Annamalai University, Chidambaram and Graduate from VR.S. &amp; Y.R.N.College, Chirala.</li> <li>• He was worked as a General Manager (Projects) in ORG Informatics Ltd.</li> <li>• He is having total 28 years experience in the industry, research and Teaching. He is having more than 19 years industry experience in the fields of remote sensing, image processing and GIS projects. 5 years experience in Teaching.</li> <li>• He published no. of Papers in reputed journals</li> <li>• He was participated in No. of International and National conferences.</li> <li>• He is a <b><i>Life Member</i></b> in Indian Society of Remote Sensing, Dehradun and <b><i>Member</i></b> in</li> </ul>

		<p>Indian Water works Association, Mumbai.</p> <ul style="list-style-type: none"> <li>• He received a <b>Minor Research project</b> funded by University Grants Commission (UGC).</li> <li>• He has given trainings in GIS and Remote Sensing.</li> <li>• He undergone no.of trainings from NRSC,GSI, SAC etc.</li> <li>• He organized All India seminar on “<b>Geospatial Technology for Land Records towards Digital India</b>” on March 29 – 30, 2016 at The Institution of Engineers (India), Hyderabad.</li> <li>• Presently he is working as a Professor in Department of civil Engineering.</li> <li>• He is a in charge in the department and coordinator for number of committees in the department and college.</li> </ul>
<p>3. Professor</p>		<ul style="list-style-type: none"> <li>• Dr. P V S N PAVAN KUMAR was awarded Doctoral degree in Geotechnical Engineering by Osmania University, Hyderabad in 2014. He is a Post Graduate of Indian Institute of Technology, Madras and Graduate of Bapatla Engineering College, Nagarjuna University.</li> <li>• He is having more than 15 years of experience in Teaching, Industry, and Research.</li> <li>• He published 21 papers in peer reviewed Journals and Conferences.</li> <li>• He taught Geotechnical Engineering, Foundation Engineering, Advanced Foundation Engineering,</li> </ul>

		<p>Design of Reinforced Concrete Structures, Concrete Technology and Engineering Geology.</p> <ul style="list-style-type: none"> <li>• He worked in Design Consultancy Services for Highway and Irrigations Projects.</li> <li>• He is a life member of Indian Geotechnical Society, Institution of Engineers, ISTE and member of International Geosynthetics Society (India) and Deep Foundations Institute.</li> <li>• He received a Research grant in Aid from Institution of Engineers (India).</li> </ul> <p>He is presently working as Professor in Department of Civil Engineering.</p>
<p>4. Professor</p>		<ul style="list-style-type: none"> <li>• Dr.SS.Manugula has B.Tech Civil Engineering., M.Tech Remote Sensing &amp; GIS, Ph.D in Civil Engineering with RS GIS specialization,.</li> <li>• He worked as a Research Associate (projects) in IIT Mumbai in the department of CSRE, and also worked as an Academic Advisor in JNTUH. He has 21 years of experience in industrial, teaching and research in various domains like Civil Engg, GIS-Photogrammetry- Remote Sensing worked with National &amp; International Clients in various multinational companies.</li> <li>• He worked as a Dy. General Manager&amp; Head of GIS department and also holds the credit of gaining global exposure by working in Abu-Dhabi (UAE) as a client side</li> </ul>

		<p>support international project work. He was appointed as a resource person for DST project in Nagarjuna University.</p> <ul style="list-style-type: none"> <li>• He published 13 papers in National &amp; International Journals and conferences &amp; published a book in RS &amp; GIS.</li> </ul>
<p>5. Professor</p>		<ul style="list-style-type: none"> <li>• Dr. P. Jagadeesan is Professor, Department of Civil Engineering, Guru Nanak Institutions Technical Campus, Hyderabad.</li> <li>• He obtained B.E. (Civil Engineering) in April 2002 from Tamilnadu College of Engineering, Erode, Tamilnadu; M.E.(Structural Engg.) from IRTT, Erode, Tamilnadu and Ph.D (Civil Engg.) from Anna University Chennai, Tamilnadu.</li> <li>• He has 13 years experience in teaching and research.</li> <li>• He has published 12 research papers in National and International Journals &amp; Conferences.</li> <li>• He guided student funded project at UG programme level.</li> <li>• He has familiar in structural design consultancy and he completed two projects. He has organized more no. of workshop, conference and faculty development programme.</li> <li>• He is the member of Indian Society of Technical Education.</li> <li>• He is acting as doctoral</li> </ul>

		<p>committee member for Ph.D. research scholar. His area of interest is behavior of RC framed structure, brick masonry structure, application of basalt fiber in civil engineering materials.</p>
6. Professor		<ul style="list-style-type: none"> <li>• Dr.T.Siva Sankar Reddy is Professor, Department of Civil Engineering, Guru Nanak Institutions Technical Campus, Hyderabad.</li> <li>• He obtained B.E. (Civil Engineering) in 1993 from JNTU Anapatur, Andhra Pradesh; M.Tech.(Structural Engg.) from JNTU Anapatur, Ph.D (Civil Engg.) from JNTU Anapatur.</li> <li>• He has 16 years experience in teaching and research.</li> <li>• He has published 10 research papers in National and International Journals &amp; Conferences.</li> <li>• He has familiar in structural design consultancy and he completed two projects. He has organized more no. of workshop, conference and faculty development programme.</li> <li>• He is acting as doctoral committee member for Ph.D. research scholar. His area of interest is Concrete.</li> </ul>
7. Associate Professor		<ul style="list-style-type: none"> <li>• DVS Narashimha Rao, holds a degree in M sc (Geology), in Kakatiya University. Presently working as Assoc Professor in Civil Department in GNITC, Telangana, India.</li> <li>• He has 6 years experience in teaching and has 10 years in industry worked as Geologist/Resource Scientist</li> </ul>

		<p>in fields of fields of geology,thematic mapping of soils and forest evaluation projects.</p> <ul style="list-style-type: none"> <li>• He published 5 papers in International Journals and conferences.</li> </ul>
<p>8. Associate Professor</p>		<ul style="list-style-type: none"> <li>• Mr. Syed Azhar Hussain M.B.A, M.E, (Ph.D) Civil, specialization in construction engineering and management from Osmania University Hyderabad. Having 24 years of total experience of which 22years in construction industry and 2 years in teaching domain.</li> <li>• Published technical paper in Journal of Structural Engineering. Structural Engineering Research Centre CSIR. with title “An Intelligent Approach for Project Selection in Construction Industry”.</li> <li>• Published technical paper in international journals IJIRSET with title “Project Selection Technique Using ANP and Fuzzy Logic in Construction Industry”.</li> <li>• Published technical paper in international journals IJISRT with title “FLOOD HAZARD IN HYDERABAD”.</li> <li>• Seminars / Workshops / Conferences etc Attended a three-day’s workshop on ERM (Engineering Research Methodology) Conducted by Osmania University during the year 2011.</li> <li>• Holding following professional membership: <ol style="list-style-type: none"> <li>1. M.I.E. –M-133646-5, The Institution of Engineers</li> </ol> </li> </ul>

		<p>(India)</p> <p>2.Chartered Engineer, The Institution of Engineers (India)</p> <p>3.F.I.V F-17699, The Institution of Valuers (India)</p> <p>4 Government registered valuer for immovable property.</p>
9. Associate Professor		<ul style="list-style-type: none"> <li>• Mr. RAJESH.D.V.S.P. holds Masters Degree in Structural engineering from Bapatla engineering college, Bapatla . He passed Out B.Tech from S.V.V.S.N. Engineering College, Nagarjuna University, Guntur District, Andhra Pradesh.</li> <li>• He published 5 papers in international Journals and Conferences.</li> <li>• He is a <b>Life Member</b> in Indian Society for construction material And structures (ISCMS) IIT Roorkee, Uttarakand.</li> <li>• He has an experience of 5 years in Teaching, 1 year Construction Industry.</li> <li>• He is presently working with Guru Nanak Institutions as Associate Professor in Civil Engineering Department</li> </ul>
10. Associate Professor		<ul style="list-style-type: none"> <li>• Mr. Raghuveer narsing holds Masters Degree in Highway Engineering from Sree Datta College Of Science And Technology Hyderabad and he has done his B.Tech in GURU NANAK ENGINEERING COLLEGE.</li> <li>• He has 5 years of experience in teaching he is presently working with Guru Nanak Institutions as Associate Professor in Civil Engineering Department.</li> </ul>

<p>11. Associate Professor</p>		<ul style="list-style-type: none"> <li>• Mr. P.Ramesh holds Masters Degree in Structural Engineering from Andhra University. He passed out B.E from Andhra University. He has more than 4 years teaching Experience.</li> <li>• He is presently working with Guru Nanak Institutions as Assistant Professor in Civil Engineering Department.</li> </ul>
<p>12. Associate Professor</p>		<ul style="list-style-type: none"> <li>• Mr. k.Ajay kumar pursuing Ph.D in Andhra university holds Masters Degree in Structural Engineering from Andhra University. He passed out B.E from Andhra University.</li> <li>• He has more than 4 years teaching Experience. He is presently working with Guru Nanak Institutions as Associate Professor in Civil Engineering Department.</li> </ul>
<p>13. Associate Professor</p>		<ul style="list-style-type: none"> <li>• M.Harini reddy holds Masters Degree in Highway Engineering from Sree Datta College of Science And Technology Hyderabad and she has done his B.Tech in Sree Datta College of Science And Technology Hyderabad.</li> <li>• She has 8 years of experience in teaching she is presently working with Guru Nanak Institutions as Assistant Professor in Civil Engineering Department.</li> </ul>
<p>14. Assist. Professor</p>		<ul style="list-style-type: none"> <li>• Ms. V. Sai Deepti is holds Masters Degree in Structural engineering from Vidya vikas institute of Engineering and technology, Hyderabad. Civil Engineering degree from CRVITS JNTUH.</li> <li>• She has total of 4 year experience in teaching. She is</li> </ul>

		presently working with Guru Nanak Institutions as Assistant Professor in Civil Engineering Department
15. Assist. Professor		<ul style="list-style-type: none"> <li>• Ms. V. Dhana lakshmi is holds Masters Degree in Structural engineering from Aurora engineering college, Bhongir. Civil Engineering degree from Madhira college of engineering.</li> <li>• She has total of 5 year experience in teaching. She is presently working with Guru Nanak Institutions as Assistant Professor in Civil Engineering Department</li> </ul>
16. Assist. Professor		<ul style="list-style-type: none"> <li>• Mrs. P. Nirupama holds Masters Degree in Structural engineering from Brilliant institutions, Hyderabad. Civil Engineering degree from Sree vidyanikethan Engineering College JNTUA.</li> <li>• She has total of 4 year experience in teaching. She is presently working with Guru Nanak Institutions as Assistant Professor in Civil Engineering Department.</li> </ul>
17. Assist. Professor		<ul style="list-style-type: none"> <li>• Mr. K. RAMESH holds Masters Degree in Structural Engineering from Progressive engineering college. He passed out B.Tech from Gurunank institutions technical campus.</li> <li>• He has more than 4 years teaching Experience.</li> <li>• He is presently working with Guru Nanak Institutions as Assistant Professor in Civil Engineering Department.</li> </ul>

<p>18. Assist. Professor</p>		<ul style="list-style-type: none"> <li>• Ms.Y.Srilekha holds Masters Degree in Geotechnical engineering from Malla reddy engineering college,Hyderabad. Civil Engineering degree from GNIT from JNTUH.</li> <li>• She has total of 4 year experience in teaching. She is presently working with Guru Nanak Institutions as Assistant Professor in Civil Engineering Department</li> </ul>
<p>19. Assist. Professor</p>		<ul style="list-style-type: none"> <li>• Ms.S.Nirisha holds Masters Degree in Geotechnical engineering from Malla reddy engineering college,Hyderabad. Civil Engineering degree from SPR college of engineering and technology from JNTUH.</li> <li>• She has total of 5 year experience in teaching. She is presently working with Guru Nanak Institutions as Assistant Professor in Civil Engineering Department</li> </ul>
<p>20. Assist. Professor</p>		<ul style="list-style-type: none"> <li>• Ms M.ANURADHA holds Masters Degree in Structural engineering from Siddhartha institute of technology and sciences Hyderabad. Civil Engineering degree from Megha Institute of engineering and technology for women from JNTUH.</li> <li>• She has total of 5 year experience in teaching.</li> <li>• She is presently working with Guru Nanak Institutions as Assistant Professor in Civil Engineering Department.</li> </ul>

		<ul style="list-style-type: none"> <li>•</li> </ul>
22. Assist. Professor		<p>Mr. K. SAI KRISHNA holds basic Civil Engineering degree from MADHIRA COLLEGE OF ENGINEERING and PG (Highway Engineering) from Bomma institute of Technology &amp; Science, KHAMMAM. He has total 3 Years experience in teaching. He is presently working with Guru Nanak Institutions as Assistant Professor in Civil Engineering Department</p>
23. Assist. Professor		<ul style="list-style-type: none"> <li>• Mr. P. Naveen Krishna working as an Asst Professor. He holds Masters Degree in Structural Engineering from AVCR ,JNTUH. Civil Engineering degree from Jaya Prakash Narayan college of engineering from JNTUH.</li> <li>• He has 2 years of field experience in construction and has 1 year of corporate experience from Cognizant technology solutions.</li> <li>• He is presently working with Guru Nanak Institutions as Assistant Professor from past two years in Civil Engineering Department</li> </ul>
		<ul style="list-style-type: none"> <li>• Mr. A Dilip Kumar holds Master Degree in Geotechnical Engineering from JNTU, Hyderabad &amp; Bachelors Degree from Sree Dattha Institute of Engineering &amp; Science.</li> <li>• He is presently working with</li> </ul>

		Guru Nanak Institutions as Assistant Professor in Civil Engineering Department
24. Assist. Professor		<ul style="list-style-type: none"> <li>• Mr. G.N.V.KAPARTHI holds Master Degree in Structural Engineering from JNTU, Hyderabad &amp; Bachelors Degree from Aurora engineering college Bandlaguda.</li> <li>• He is presently working with Guru Nanak Institutions as Assistant Professor in Civil Engineering Department</li> </ul>
25. Assist. Professor		<ul style="list-style-type: none"> <li>• Ms.V.Tulasi rani is holds Masters Degree in Structural engineering from Vidya vikas institute of Engineering and technology, Hyderabad. Civil Engineering degree from NRI Institute from JNTUH.</li> <li>• She has total of 4 year experience in teaching. She is presently working with Guru Nanak Institutions as Assistant Professor in Civil Engineering Department</li> </ul>
		<ul style="list-style-type: none"> <li>• vamsi</li> </ul>
		<ul style="list-style-type: none"> <li>• dilip</li> </ul>
26. Assist. Professor		<ul style="list-style-type: none"> <li>• Mr. A. Siva Prasad holds Master Degree in Geotechnical engineering from S.R.M.University, Chennai &amp; Bachelors Degree from Gitam University, Visakhapatnam.</li> <li>• He has an experience of 2 years in Teaching, 2 years Construction Industry.</li> </ul>

		<ul style="list-style-type: none"> <li>• He is presently working with Guru Nanak Institutions as Assistant Professor in Civil Engineering Department</li> </ul>
27. Assist. Professor		<ul style="list-style-type: none"> <li>• Mr. Rajesh Biradar holds Master Degree in Structural Engineering from PDA College of engineering V.T. University, Gulbarga &amp; Bachelors Degree from Reva Institute of technology &amp; Management, Bangalore.</li> <li>• He is presently working with Guru Nanak Institutions as Assistant Professor in Civil Engineering Department</li> </ul>
28. Assist. Professor		<ul style="list-style-type: none"> <li>• Asst Professor R. Bhagyamma, Department of Civil Engineering, Guru Nanak Institutions Technical Campus, Hyderabad.</li> <li>• She obtained B.Tech. (Civil Engineering) in April 2014 from Malla Reddy Institute of Technology, Maisammaguda, Hyderabad and M.Tech.(Structural Engg.) from Ellenki College of Engineering, Patancheru, Medak.</li> <li>• She has 3 years experience in teaching.</li> <li>• She has published one research paper in International Journal of Research. She has organized workshop and faculty development programme.</li> <li>• Her area of interest is behavior of RC framed structure and brick masonry structure in civil engineering materials</li> </ul>

<p>29. Assist. Professor</p>		<ul style="list-style-type: none"> <li>• Mr. Md.sohel ahmed holds Masters Degree in Structural Engineering from CMRCET. He passed out B.Tech from Anurag Engineering College Kodad.</li> <li>• He has 2 years construction industry Experience. He is presently working with Guru Nanak Institutions as Assistant Professor in Civil Engineering Department.</li> </ul>
<p>30. Assist. Professor</p>		<ul style="list-style-type: none"> <li>• Ms.B. Sushmitha, Department of Civil Engineering, Guru Nanak Institutions Technical Campus, Hyderabad.</li> <li>• She obtained B.Tech. (Civil Engineering) in April 2013 from Nalgonda Institute of Technology &amp; Science, Nalgonda and M.Tech.(Geotechnical Engineering.) from JNTU College of Engineering Hyderabad.</li> <li>• She has 3 years experience in teaching.</li> </ul>
<p>32. Assist. Professor</p>		<ul style="list-style-type: none"> <li>• G.L.POORNIMA holds Masters Degree in Structural engineering from AIET from JNTUH. Civil Engineering degree from SIR C.R.REDDY COLLEGE OF ENGINEERING, A.U VIZAG.</li> <li>• She has total of 3 years experience in teaching.</li> <li>• She is presently working with Guru Nanak Institutions as Assistant Professor in Civil Engineering Department.</li> </ul>

33. Assist. Professor

- Mr. M. Uday Kumar holds Masters Degree in Highway engineering from NRI engineering college.
  - He passed Out B.Tech from Anurag engineering college kodad.
  - He has an experience of 1 year in Teaching.
- He is presently working with Guru Nanak Institutions as Assistant Professor in Civil Engineering Department
