All India Council for Technical Education has signed MoU with HireMee on 12th September, 2017 for helping in bridging the gap in employability skills by imparting suitable training especially, in rural areas; help the academia understand the gap in skills and support them with industry specific inputs; and provide an opportunity to the all students by connecting them to the right jobs. This is a CSR effort to discover a diamonds of students in rural and urban colleges. HireMee serves as a Virtual Bridge between Recruiters and Aspiring Applicants esp. of Tier-2 and Tier-3 areas. HireMee is an end-to-end Web Portal and Mobile App developed with intent to reach out to all students, recruiters and colleges across the country in these areas who will benefit from using the HireMee. The entire recruitment process will be seamlessly linked on a chain.
