Overall report of the activity

A Webinar was conducted on 30th June 2022, on “Accelerators/Incubation – Opportunities for Students & Faculties - Early Stage Entrepreneurs”. Around 80 students and 5 faculty members had participated in this activity. Participants were made understood on dimensions of entrepreneurship and innovation and they were told on opportunities relating to accelerators and incubators. They were guided on mode of entering in to food industry and were told on different incubation centres available all over India. The common challenges in foods segment and opportunities to overcome those challenges were clearly explained to participants. They were also informed on the procedure of Grant and effective Grant Utilization and disclosed the Revenue Model of millet chef. Lastly in question and answer session, Speaker had clarified the doubts of the participants.
